Main Group - Ch. III

Enlightenment

Good to give a general idea of  
Enlightenment.

Good to get an apple (defined) - to  
know what that apple should be (recognized)  
Good to show Ch. III that it is not  
possible to define without perfect  
knowledge - good to give

examples -  
good to get Ch. III's definition  
of form

Good to give Ch. III idea of form.

Good to mention the idea of perfection  
should have included enlightenment himself -  
the claim to perfection -

Good to make it plain that enlightenment is  
not a special preparation -

Good to help

Point out that enlightenment is well -

Ch. III were made to understand that the  
applying thinking depended upon themselves  
if they had been able to - Ch. III should respond  
to the enlightenment

V good to get from George the child  
 back out line =

V night - have made. Mr. C. the child  
 home on the had Dickson -

Mr. really realized their own building  
 power =

"rest only extremely" had - it  
 again connected line was connected  
 we of the very rapid repetition  
 good to let it have the benefit of  
 contraction -

Good to put in a little humor.

all the rest of the funds

Temporary club to see that matter would  
 is not a day - good to show that

that it was a correct representation

girls responded well - esp. for the & for

got many clear idea of purpose -

Good to get and - extremely - line

grace and best - for the rest of

all have got to prepare for  
 more work.
